John, Gary and Scott. Ok, I just had my last meeting with HQ and they finally seem happy (about the ROD, but not about being stuck in NYC right now).

All I need from you is the figures from the RI/FS. The figures themselves do not need to be altered, just the identifying numbers so they match up with the ROD text. It will be mostly from the RI, but there will be 2 or 3 from the FS as well. I'm putting together (and double checking) the list of figures and their corresponding new numbers. I was hoping to get the list to you today, but we're being kicked out. I'll get it to you tomorrow.

Jon

Scott. the right column denotes the RI figure number. Could you change those to the figure numbers from the left column and send the revised figures to me? Thanks.
